INDEX TO VOLUMES 1 & 2

APRIL TO DECEMBER, INCLUSIVE

1974

Articles are indexed under subject and author.
Abbreviations used are: Ap, April; My, May;
Je, June; Jl, July; Ag, August; S, September;
O, October; N, November; D, December; Ed,
editorial; jt auth, joint author.

ACCREDITATION

- Guess who's coming to the nursing home?Jl 40
- 'No quota for failures,' JCAH says, but surveys will be tougherJe 108
- 30 documents JCAH wants to look atJl 43
- Administration; System for monitoring quality of medical care at Stanford (Calif.) Hospital is being developedMy 94
- Administrators; Doctors, trustees and unionsO 87
- American College of Hospital Administrators; College adopts new policy to broaden membership baseS 92
- American Health Congress; Why AHA is taking to the tube. T. IsaacmanS 82

ASEPTIC PRACTICE

- Attack on infection gets organized.Jl 92
- Best place to begin is beginning. B. H. ClarkeD 74
- Case for biological indicators. F. E. Halleck and R. GammonJe 74
- Don't ignore monitor's warning. B. H. ClarkeN 118
- Inservice plan for the OR. B. H. ClarkeO 114
- Is your autoclave innocent?Ap 126
- New titles, clothes and cartsMy 104

ASSISTIVE DEVICES

- Computers may run future prostheses. G. W. DowneyAg 51
- Electronic eyes for the blind. R. C. YeagerJl 97
- Innovative mechanical and electrical devices are helping deaf, blind and disabled patients overcome their handicaps. G. W. DowneyAg 47

ASSOCIATIONS

- AMA votes new policies on PSRO and doctor-hospital relationships. T. IsaacmanAg 88
- ANA's eight standards of nursing practiceO 26
- Association of Western Hospitals expands, buys *Hospital Forum*Je 109
- Hospital outlook: Controls may be out, consumerism may be inMy 76
- No eulogy for a health congressS 81
- Profit is a tattle-tale gray word at FAH convention. T. IsaacmanAp 89
- Why AHA is taking to the tube. T. IsaacmanS 82

Blood; New pump for the blood system

-Je 101
- Blood transport; Transporting blood pneumaticallyN 120
- Blue Cross; Michigan plan challenges authority of state insurance commissionerAg 92

- BRAZDA, JEROME F. Believe it or not, healthcare has a friend in the White HouseN 31
- Committees of Congress which consider health legislationAp 78
- Concerns of Congress, questions from HoustonJe 16a
- CPI debate: hospitals are the fall guysO 16c

- Health planning bill was drawn on a blackboardAg 16c
- Institute of Medicine: health policy think tankAp 15
- Jay Constantine: the man behind the men in Congress who are behind PSROAp 74

- Medical education: How many doctors are enough?Jl 16c
- Mills and Kennedy leap over financing hurdleMy 15
- New cast awaits script for NHI dramaD 15

- NHI fate hinges on mood, money and climateS 16c
- Panel will tell how to make Social Security more secureN 16c
- Budgeting; HEW proposes rules requiring capital expense plan, budgetingS 91

- BUSINESS MANAGEMENT
- Mail must go through — 9 timesS 72
- Perfect handwritingS 71
- Technology meets the typistS 71
- When business becomes financeS 69

- Chronic illness hospitals and depts.; Connecticut corporation will build hospital for the dyingJl 101

- CLARKE, BARBARA H. An inservice plan for the OR.O 114
- Best place to begin is beginningD 74
- Don't ignore monitor's warningN 118

- CLEARY, DAVID M. Next Denenberg target: utilitiesS 48
- Pennsylvania after DenenbergS 47
- Too many pediatric beds?O 119

- COMMUNICATIONS
- Electronic eyes for the blind. R. C. YeagerJl 97
- Perfect handwritingS 71
- Confidentiality; Kaiser attorney urges legal effort to protect patients' recordsS 96
- Consortium; New building cements merger of two Detroit hospitalsAp 97

- CONSUMER INFLUENCES
- Believe it or not, healthcare has a friend in the White House. J. F. BrazdaN 31
- Jay Constantine: the man behind the men in Congress who are behind PSRO. J. F. BrazdaAp 74
- Next Denenberg target: utilities. D. M. ClearyS 48
- Pennsylvania after Denenberg. D. M. ClearyS 47

- CONSUMERISM
- California activist group shuts down; projects grew too bigMy 89
- Hospital outlook: Controls may be out, consumerism may be inMy 76
- Consumers; New help for the consumer. R. SchwartzJl 57

CONTINUING EDUCATION

- Inservice spending in Nebraska: Survey shows that even small hospitals are trying to keep up with staff needs, but budget commitment varies widelyO 69
- Training goes undergroundO 49
- Controls environment; Central regulatory issue is cost. J. K. IglehartAg 35

- Convalescent care; At CHH, the show — and the care — must go on. D. MaddoxD 42
- Cost control; Cost control has become the central issue as prospects for NHI brightenS 85

- Costs; Pre-summit circus: The laundry list of "solutions" for healthcare inflation grows longerO 131

- CUNNINGHAM, ROBERT M. Jr. Few men made better leapsJe 9
- How to beat inflation: Stay homeD 9
- It had better be somebody's dutyS 11
- PSRO for the pressO 11
- The reason it takes so longMy 9
- There are no wheels for GrandmaJl 9
- When you say bureaucrat, smileAg 9
- Why they're wild about preventionAp 9
- Wrong medicine, wrong placeN 11

- DELIVERY SYSTEMS
- Columbia: artistic success, financial flop. D. JudgeJl 51
- Medical center invests \$212,000 in a city doctor programN 92
- Speakers cite differences between service and insurance approachesS 96
- University buys a county hospital. D. MaddoxD 57

- Department of Health, Education and Welfare; Device law will pass this year, but NHI is iffy, officials predictMy 83

- DESIGN
- Art inside, artistic outsideS 28
- Careful planning permits Wellington Hospital (London) to build in train yardO E1
- Cologne: an American viewpointS E1
- Columbia: artistic success, financial flop. D. JudgeJl 51
- Community renewal starts with hospitalJl 30
- Design points way to infection controlMy 44
- Isabella: three levels of care, two buildings, one administrationJe 54
- New design helped this hospital keep its medical staff and employeesO 82
- Ottobain Home lets patients live the way they canMy 39
- Reno puts money on Washoe Medical Center and it's a winnerD 33
- Traffic follows "streets" at Gasthuisberg HospitalD E1

- DIETARY DEPARTMENT
- Are ready foods ready now? J. Henning and D. TanisMy 65
- French Chef whips up a recipe for healthcare. J. KeeneMy 67

DOWNEY, GREGG W. Arabian nights: logistics of management in the desert	Je	40
Assistive devices: Innovative mechanical and electrical devices are helping deaf, blind and disabled patients overcome their handicaps	Ag	46
Case history: How management contract cures a sick hospital	Je	38
CHCP's home: a design for ambulatory services	N	26
Computers may run future prostheses	Ag	51
For sale: hospital management	Je	35
Haven for HMOs in New Haven	N	21
Job of rehabilitation is a job	Ap	41
Long and short of profit	Ap	67
Managing for profit: a matter of decisions	Ap	71
Must a transfer order be a death sentence for SNF patients?	O	44
Next patient right: sex in the nursing home	Je	56
Panthers striking for power	Ag	65
Pennsylvania vs. HEW: \$18 million at stake as state battles HEW, but the big losers may be the patients	S	19
Drug research: Who's who of new drugs. E. Walker	O	104

Economic Stabilization Program: Of losses and liquidity: What ESP did to hospitals	Jl	73
Education: AHA plans policy statement on continuing education	S	86
EDUCATION CENTERS		
Hospitals as classrooms: Area Health Education Centers are providing a new link between communities and hospitals. H. L. Lewis	O	57
Mastic of a merger: education. H. L. Lewis	O	62
Educational programing: AHA and AHME may hold regional seminars on quality assurance	Jl	104
Educational programs for children: St. Luke's in New York begins emotional development program	Jl	100
Educational TV: Feeling Good is a TV series designed to convey health information	O	131
EMERGENCY SERVICES		
Emergency care grows in Brooklyn. J. N. Tuck	Je	30
Shot in the arm for emergency services. J. N. Tuck	Je	25
Employee benefits: OSHA-inspired study predicts federalization of workmen's comp	Ap	96
ENERGY CONSERVATION		
Cold facts: no oil, gas, coal	N	63
Conservation sampler	N	65
EXECUTIVE COMPENSATION		
1974 salary scoreboard: An exclusive survey indicates that administrators' salaries are keeping up with inflation, but fringe benefits are not	Ag	19
Survey indicates that of all second line managers, nursing executives are paid the least	S	38
What the chiefs are paid: The median annual salary for radiologists and pathologists is \$40,000, but many are paid in six figures	O	35

Federation of American Hospitals convention: Profit is a tattle-tale gray word at FAH convention. T. Isaacman	Ap	89
FINANCES		
California PHPs in trouble. R. C. Yeager	Je	45
Can anybody afford to bail out Miami's Cedars of Lebanon Hospital?	My	82
Cost control measures help hospital eliminate its debt	Je	118
Emphasis now is on cost controls	Je	94
Italian hospitals: They're about \$5 billion in debt; pasta is in short supply	S	100
New, 30 bed Florida hospital closed after search for doctors fails	Jl	104
When business becomes finance	S	69

FOOD SERVICE

Are ready foods ready now? J. Henning and D. Tanis	My	65
French Chef whips up a recipe for healthcare. J. Keene	My	67

GAMMON, RICHARD jt auth See HALLECK, FRANK E.

GERIATRIC CARE

Must a transfer order be a death sentence for SNF patients? G. W. Downey	O	44
Panthers striking for power. G. W. Downey	Ag	65
What to do about mental disorders of the elderly	Ag	57
Geriatric hospitals: Isabella: three levels of care, two buildings, one administration	Je	54
Government regulation: Emphasis now is on cost controls	Je	94
GUILES, ROGER. Human resource accounting: a price tag on people	Jl	62

HALLECK, FRANK E. and GAMMON, RICHARD. Case for biological indicators

HEALTH, EDUCATION AND WELFARE

Chronology of "Pennsylvania versus the U.S.A." G. W. Downey	S	21
Health, education and welfare views: Device law will pass this year, but NHI is iffy, officials predict	My	83
Pennsylvania vs. HEW. G. W. Downey	S	19
Health hazard appraisal: Methodist of Indiana: a pioneer in preventive medicine. H. L. Lewis	D	21
Health insurance: Nixon plan would raise health costs for the aged, two charge	Ap	112

HEALTH MAINTENANCE ORGANIZATIONS

CHCP's home: a design for ambulatory services. G. W. Downey	N	26
Haven for HMOs in New Haven. G. W. Downey	N	21
Texas holds conference to push for implementation of HMO Act	Je	108
Two barriers to HMO success: doctors and patients	My	49

HEALTH PROGRAMS

Health educators not "feelin' good"	D	60
Train for war, work at peace. J. S. Shaw	Je	65

HEALTHCARE COALITIONS

Critical Kinzer: national obligations vs. states' rights	Ap	48
Critical Kinzer: Where is all the power now?	Ap	50

HEALTHCARE DELIVERY

City department to charge for some formerly free health services	S	92
Philadelphia area hospitals say they lost \$18 million on ERs and OPDs	S	96
Washington, D.C., study shows children receive poor care	S	92

HEALTHCARE LAW

After the fall comes the suit. J. F. Horthy	Ag	16f
Down with sovereign immunity! J. F. Horthy	D	68
Free care ruling hits doctors, too. J. F. Horthy	Ap	116
Full liability for partial injury. J. F. Horthy	Jl	16h
If nurse is liable, so is hospital. J. F. Horthy	N	102
In ER, all cases are emergencies. J. F. Horthy	Je	16f
Long live the sovereign immunity! J. F. Horthy	S	16f
Price of pain. J. F. Horthy	My	98
Riding the (bed) rails into court. J. F. Horthy	O	16h

HEALTHCARE LEGISLATION

Committees of Congress which consider health legislation. J. F. Brazda	Ap	78
Jay Constantine: the man behind the men in Congress who are behind PSRO. J. F. Brazda	Ap	74

HEALTHCARE QUIZ

Benchmarks you should know	Jl	94
Criteria for spaces and services	D	81
Do you know construction?	Je	81
How many physicians?	Ag	81
So you think you know hospitals	Ap	133

HEALTHCARE QUIZ, cont.

So you think you know planning	My	107
What do you know about salaries?	S	107
What does a loan cost?	N	101
What is the cost?	O	95

HENNING, JANET. How to put waste to work

How to reduce solid waste: use it	D	51
New OR depends on an old principle: the staff is first	N	52

HENNING, JANET and TANIS, DAWN.

Are ready foods ready now?	My	65
----------------------------	----	----

HOLMGREN, JOHN H. Functions follow size, not title

How to limit liability	Ag	76
Labs learn to live with less	O	90
Let the imprudent buyer beware	Je	88
Meet shortages with a long plan	S	104
Why buyers battle with sellers	Jl	84

HORTY, JOHN F. After the fall comes the suit

Down with sovereign immunity!	D	68
Free care ruling hits doctors, too	Ap	116
Full liability for partial injury	Jl	16h
If nurse is liable, so is hospital	N	102
In ER, all cases are emergencies	Je	16f
Long live the sovereign immunity!	S	16f
Price of pain	My	98
Riding the (bed) rails into court	O	16h

HOSPITAL AND HEALTH FACILITIES

Art inside, artistic outside	S	28
At CHH, the show — and the care — must go on. D. Maddox	D	42
Columbia: artistic success, financial flop. D. Judge	Jl	51
New manager for Mormon hospitals. Nonprofit corporation will take over 15 facilities next year	O	126
Reno puts money on Washoe Medical Center and it's a winner	D	33
Hospital equipment: Why patients hate bedpans. B. K. Nelson	Je	48
HOSPITALS		
Computerizing Europe's hospitals	N	E1
Italian hospitals: They're about \$5 billion in debt; pasta is in short supply	S	100
Human resource accounting: A price tag on people. R. Guiles	Jl	62
